Madison County

The Madison County Metro-East Mass Transit District includes some — but not all — townships in Madison County. Therefore, the general merchandise rate, the qualifying food, drugs, and medical appliances rate, and the vehicle rate for items reported on Form ST-556 depend upon the township in which the taxable transaction takes place. If the taxable transaction takes place outside the municipal limits, refer to this township list for the correct tax rate. For vehicles reported on Form RUT-25, the vehicle's registration address determines the rate. If the vehicle's registration address is outside the municipal limits, use this township list for the correct rate.
